

Board of Directors

Jenny Matic Chairperson

Jenny is a highly accomplished executive with extensive public sector experience, including health and aged care. She also has comprehensive aged care industry insights, as the former interim CEO, and Executive Director of Government Relations, Policy and Media with a national aged care peak body.

Dr Miro Ljubicic Deputy Chairperson

Miro has a long and successful career in education as an Academic. He has worked for government and tertiary education providers both here and overseas. Miro has a Masters in IT and a PhD in Business.

He joined the ACCS board in 2013 and draws inspiration from helping people in reaching their potential in their career development.

Steve Bilos Treasurer

Steve (Slavko) migrated to Australia when he was 22 years old and has always been involved in community groups and services including Australian Croatian Association, Melbourne Knights Football Club, Croatian Credit Union and Hajduk Soccer Club. Slavko worked in the finance sector for more than 40 years, and has received an industry awards for his successful management career.

Franci Buljat CEO and Company Secretary

Franci is a Chief Executive Officer of Australian Croatian Community Services, and has been in this role since July 2010. Franci holds an overseas degree Bachelor of Languages Diploma of Teaching and an Australian (NAATI) qualification as an Interpreter and Translator and has had an extensive experience in teaching and media.

Steve Milicevic Director

Steven is a highly experienced business lawyer and public speaker. His experience working as Company Secretary and General Counsel for an ASX listed group of companies motivated him to start his own law firm, Milicevic Lawyers, focused on providing legal advice to individuals and small to medium sized companies. He is regularly invited to speak on legal topics at various public events.

Meredith Adams Director

Meredith has extensive business experience primarily in the International Trade, Logistics and Shipping arena where her skills dealing with customers, staff, Government agencies and various industry committees provided a solid platform of skills. Previously Meredith served on the Board of IPC (previously ISIS Primary Care).

George Tsironis Director

Upon completion of his BA with majors in Psychology and Statistics, his psychology training was at the Australian Council for Education Research (ACER). His training involved a nationwide study titled "Integrating Disabled Children into Mainstream Schooling". His name is in print with the studies conducted by ACER at the time.

Nina Vucic Director

Nina is a Division one Nurse of close to 50 years, now retired. She is a graduate from Melbourne University. Her life-long passion is in healthcare and education as well as providing consultancy, lectures and curriculum developments.
