

“Australian Croatian Community Services” is looking for a 'Direct Care Worker, Home Care Services'

ACCS has vacancies for Direct Care Workers from Croatian speaking backgrounds and other cultural backgrounds supporting older clients and people with disabilities to remain living safely in their homes. Work with us! Work with people from Croatian, Bosnian and Herzegovinian communities and the broader community.

- Our staff report they enjoy speaking their own language and supporting their own community
- We offer support and organise ongoing professional development
- Various positions across Melbourne based on consumer demand.

Australian Croatian Community Service is a community aged care provider based in Melbourne and Geelong. We offer home care packages, private services, social support groups and domestic assistance.
