

Great news for ACCS and Geelong Community

The Geelong Community Foundation Board has approved a two year grant of \$20,000 to Australian Croatian Community Services Inc. in the 2019/20 grant round. The Foundation held their Annual Grant Reception on Wednesday 22nd May in the President's Room, GMHBA Stadium at the Geelong Football Club, and presented the grants to 52 community organisations.

ACCS is very pleased, as his grant will enable us to be even more supportive to our ageing community in Geelong region. Our project is called "Ageing Positively: See, Hear and Learn", and we are aiming to organize activities and information sessions, similar to what we are already successfully doing in Melbourne!

Sjajne vijesti za ACCS i hrvatsku zajednicu Geelong-a

Zaklada zajednice Geelong (Geelong Community Foundation) odobrila je dvogodišnju potporu od \$20.000 organizaciji "Australian Croatian Community Services". Zaklada je održala svoj godišnji prijem u srijedu 22. svibnja u predsjedničkoj sobi, GMHBA stadiona u Geelongu i službeno dodijelila sredstva 52 društvenim organizacijama.

Zaista smo sretni zbog ove potpore koja će nam omogućiti da još više podržimo starije članove naše zajednice u Geelongu i okolici. Naš projekt smo nazvali „Pozitivno starenje: vidimo, čujemo i učimo“; mi želimo organizirati aktivnosti i informativne sastanke za starije osobe, slično onome što već uspješno radimo u Melbourneu!
